Forfeits and Cancellations

1. Game time = start time. A team will forfeit a game if it cannot field 9 players from its existing roster by the scheduled game time. The 6:15 game has a five minute grace period. The umpires watch is the official clock.
2. The Park District has a Lightning Detection System that alerts park users when conditions are right for lightning. When the alarm sounds (1 long, 15-second blast) the fields must be evacuated and everyone must seek shelter immediately. If 5 complete innings have been played, game results will stand as is. If 5 complete innings have not been played, players, scorers and ump's will wait for 10 minutes from the time the alarm sounded for the all clear signal (3 short blasts). If the all-clear signal does not sound in those 10 minutes, the game will be called off and rescheduled for another night. If after 20 minutes from the original alert the all clear has not been given the remaining games will be forfeited and rescheduled for another time.
3. Games canceled due to inclement weather will be rescheduled as field availability allows. We have a rainout hotline that allows participants to check the field conditions each day. **The Park District will determine by 3:00 pm on game day if the scheduled games are to be played.** Please do not call before 3:00pm there will be no decision made at that time. The phone number for the rainout hotline is 630.645.9552. Please Note: We set this mailbox up not to take messages. It will only give information.

If inclement weather occurs after 3:00 pm, it is each team's responsibility to keep checking the hotline for further information. If a game needs to be canceled after 6:00 pm, it will be canceled either by the on-site supervisor or the umpire prior to its regular starting time. The on-site supervisor will also update the hotline for all other games that day.

4. **Captains:** If your team needs to forfeit a game, you must call Chris Piasecki Recreation Supervisor, at 630-645-9529 by 3:00 pm on game day so that your opponent can be contacted. If you do not call by 3:00 pm, a \$25.00 fee will be assessed to the team. This fee must be paid before your team is allowed to play the next game.
