Camp Discipline Policy

The goal of our camp is to provide an atmosphere for children to develop a variety of satisfying skills and relationships, while enjoying healthy activities. As a family please read and discuss the following goals **TOGETHER**. Parents, please initial each one after discussing. Let's follow our **C.A.M.P.E.R.s!**

Caring

It is important to treat equipment, toys and games with care so that other campers can enjoy them. We will treat the property of the Oak Brook Park District and of the other campers and staff with care.

Appropriate Language

Children must refrain from using obscene language or gestures for any reason.

Mindful of actions

When asked to do or not to do something, a camper needs to follow the directions given the first time. This is for the safety of all campers. Please speak to staff and other campers with respect.

Play

Campers are asked not to engage in any horseplay with each other or with a counselor. No one will be allowed to hit, push, or use any type of aggressive behavior. We will use words to settle our differences. We keep our hands and feet to ourselves.

Encouraging Conversation

Campers are not allowed to discuss inappropriate topics or contribute to demeaning conversations about other campers or staff. We want to encourage each other to be our best.

Responsibility

All campers need to remain with their group and within eyesight of their counselor. This applies here at the Oak Brook Park District, and on all off-site field trips. We want campers to be safe at all times.

If an incident occurs where a camper conducts himself/herself in a manner that jeopardizes their safety, the safety of others, or is not in accordance with the camp rules, the below steps will be taken (Pee Wee campers will be addressed individually, based on offense). Any child causing severe harm to another child or staff member, or participating in extreme behavior, will be dismissed from the camp immediately.

First Violation

A staff member will address the issue directly with the child, document it, and discuss with the parent when they arrive that day. Parents must sign the behavior contract at pick-up.

Second Violation

A staff member will address the issue directly with the child and document it. The child may be removed from an activity for the day such as swimming or play time. Parents will be contacted during the day or at the end of the camp depending on the time and severity of the incident. Parents must sign the behavior contract at pick up.

Third Violation

A staff member will address the issue directly with the child and document it. The parent/guardian will receive a phone call and be asked to pick up their child within the hour. The child will be suspended from the weekly field trip. Parents must sign the behavior contract at pick up.

Fourth Violation

A staff member will address the issue directly with the child and document it. Parents will be contacted immediately to pick up their child from camp. The child will then be suspended from camp for a week with NO refund. Parents must sign the behavior contract at pick up.

Fifth Violation

Child will be dismissed from camp for the remainder of the summer.

The above guidelines have been read and discussed.
