1. A discrepancy was brought to the Park District's attention regarding the square footage of asphalt listed for Saddle Brook Park (Page 43) and Chillem Park (Page 44) of the bid packet. The original bid listed Saddle Brook square footage as both 6,500 and 3,744. The correct approximate square footage for Saddle Brook Park is 6,500. The original bid listed Chillem Park square footage as both 3,264 and 3,744. The correct approximate square footage for Chillem Park is 3,264. These changes will be updated in the bid packet on the Park District website at <https://www.obparks.org/bids-rfps>.
