

**Oak Brook Park District
Central Park Asphalt Project 2019
Addendum # 1**

All addenda to bidders shall be incorporated into the bid documents. Each bidder submitting a bid must acknowledge receipt of any and every addendum received. All bidders shall include a printed and signed copy of this addendum with their bid submittal.

See below for a list of questions that have been posed regarding the Central Park Asphalt Project.

1. Should the "lump sum pricing" be based upon all three areas being completed as one project?

A: Yes, the Park District anticipates completing asphalt maintenance at all three project locations (Areas 1, 2, 3) as one single project, but reserves the rights outlined in Section "F" of the Instructions to Bidders.

2. What application methods should be used for the first and second (alternate bid) applications of sealer?

A: The first and second (alternate bid) coats of sealer should be applied using any combination of brushes, squeegees, or mechanical spray application to achieve coverage and consistency as outlined in the bid specifications.

3. Approved equal product:

-Sealmaster Coal Tar Concentrate Pavement Sealer SMT-100 is an approved equal product.

The Bidder's signature below acknowledges the receipt of Addendum #1, issued February 21, 2019 for the Central Park Asphalt Bid.

Bidder's Signature: _____

Bidder's Name: _____
