VI. Award of Contract

A. Basis of Award

The Park District may accept the proposal of, and award the Contract for the work, to the lowest responsive and responsible proposer as determined by and in the sole discretion of the Park District.

The Park District reserves the right to (1) reject all proposals; (2) reject only certain proposals which are non-conforming or non-responsive to the RFP requirements; (3) accept only a portion, part or specific items of work of all and reject others, as the Park District shall in its sole discretion determine to be in its best interest; and/or (4) award the Contract to the responsible Proposer submitting the lowest proposal responsive to the RFP requirements. No proposal will be accepted from or Contract awarded to any person, firm or corporation that is in arrears or is in default to the Park District upon any debt or contract, or that is a defaulter, as surety or otherwise, upon any obligation to said Park District or that has failed to perform faithfully any previous contract with the Park District.

In the event of a rejection of a portion, part, or certain items of the work of all proposals, each Proposer's proposal shall automatically be deemed reduced by the amount of such rejected part or item at the unit price or other cost designated therefore by that proposer on its submitted Proposal Form. The successful Proposer so selected may not refuse to enter into a Contract with the Park District on the basis that the Park District awarded a Contract for less than all portions or items of the work specified in the RFP. B. Acceptance and Award

Award of Contract will be made to lowest responsible proposer that complies with the conditions and specifications presented herein. Although price is a major consideration in the award of this Contract, the Park District does not award on price alone and will also consider terms of delivery, quality, serviceability, conformity with specifications, financial capability of the proposer, and the performance of the proposer on other projects, as determined by the Oak Brook Park District Board of Commissioners.

The Park District reserves the right to: determine whether a substituted selection, in its judgment, is an acceptable alternate; increase or decrease the quantities shown on the proposal; to reject any and all prices or proposals submitted without disclosure of reason; waive any irregularity, formality or technicality in any proposal; and accept the proposal which is considered in the best interests of the Park District. Such decisions are final and not subject to recourse.

The acceptance of a proposal will be by a Notice of Award, signed by a duly authorized representative of the Park District; no other act by the Park District shall constitute the acceptance of a proposal. The acceptance of a proposal by the Park District shall bind the successful proposer to execute and perform the work of the Contract. The successful proposer to whom the Contract is awarded by the Park District shall sign and deliver to the Park District, for execution by the Park District, all required copies of the Contract, substantially in the same form as included in this RFP, within ten (10) days after award of the Contract.

Therefore, if a dumpster is overutilized at one location and a dumpster designated for the same type of service is underutilized at one of the other Central Park locations, the Contractor shall not assess an overage fee as the total sum of the collected dumpsters for the specific service would not exceed the anticipated allocated space on the truck.

If the Park District has not been included as an insured under the CGL using ISO additional insured endorsement CG 20 26 under the Commercial General and Umbrella Liability Insurance required in this Contract, Contractor waives all rights against District and its officers, officials, employees, volunteers and agents for recovery of damages arising out of or incident to the Contract.

The policy limit shall be no less than one million dollars (\$1,000,000) per claim and one million dollars (\$1,000,000) general aggregate. All activities contemplated in the Contract shall be specifically scheduled on the policy as "covered operations." Coverage shall be included on behalf of the insured for covered claims arising out of the actions of independent contractors. If the insured is using subcontractors the policy must include work performed "by or on behalf" of the insured. Coverage shall apply on a primary non-contributing basis in relation to any other insurance or self-insurance, primary or excess, available to the District or any employee of the District.

If this coverage is written on a claims-made basis, the retroactive date shall precede the effective date of the Contract with the District and continuous coverage will be maintained or an extended reporting period will be exercised for a period of at least three (3) years from termination or expiration of this Contract.

Failure to maintain the required insurance may result in termination of this Contract at District's option.

Such obligation shall not be construed to negate, abridge, or otherwise reduce any other right or obligation of indemnity which would otherwise exist as to any party or person described in this Paragraph. Contractor shall similarly protect, indemnify and hold and save harmless the District, its officers, officials, employees, volunteers and agents against and from any and all claims, costs, causes, actions and expenses including but not limited to legal fees, incurred by reason of Contractor's breach of any of its obligations under, or Contractor's default of, any provision of the Contract.
