LEARN TO PLAY AMERICAN MAH JONGG

Learn how to play American Mah Jongg in a comfortable, instructional environment. The American version of the game was brought from China in the 1920s. It is both a game of skill and luck (and very addicting!). It uses tiles to match suits and pick up/discard, much like how we use cards in games. We are very excited to have an instructor that is very enthusiastic to help us learn from this fun game! *PLEASE NOTE: This is for individuals new to Mah Jongg. You must attend the first class to continue.* Ages: 18+ yrs

THE HISTORY OF ELVIS PRESLEY

BY GARY WENSTRUP

Elvis revolutionized popular music when he exploded onto the scene in 1956 with his unique blend of rhythm & blues and country music. Elvis' impact was seismic and he forever remains: The "King of Rock and Roll." Our presenter, Gary Wenstrup retired from a rewarding career in advertising sales and developed courses on the Beatles, Simon & Garfunkel, Motown Records, and many other musical legends. If you have yet to see Gary lecture, I promise he will become a favorite!
