Tennis Camp
Registration begins April 1.
The Oak Brook Park District offers a 3 and 4 year old recreation-based preschool program for children turning 3 or 4 by September 1. Once a child is pre-registered for the class, he or she will remain enrolled for the entire year. The age requirements are as stated and no exceptions will be made. Each child is given the opportunity to grow in a social play environment as well as supplement his/her home life experiences in an informal atmosphere. Children will be introduced to appropriate developmental skills at their own pace. Some of the daily activities include creative art, music, stories, role play, free play, and everyday math and science discovery.

For more information please call Kim at 630-645-9516. The pre-registration deposit is non-refundable and non-transferable. A copy of your child’s birth certificate and health examination MUST be on file to begin the school year. Visit www.obparks.org/preschool for tuition amounts.

All registered preschoolers will receive an enrollment packet in July. This packet will contain information needed for the 2020-2021 school year. If you have any questions concerning preschool before the receipt of the parent packet, please call 630-645-9590.

We apologize, but the Oak Brook Park District does not honor requests for teachers, classrooms, or carpools. The registration deposit fee is nonrefundable. A Birth Certificate and health exam form must be on file before the school year begins.

Swim Lessons

**Group Lessons-Parent/Child**

Designed to acclimate young swimmers to the water with their parent, these classes are led by an instructor that will focus on basic water skills through the use of song, rhyme, and repeated practice. Parent/Tot classes will be conducted entirely with the parent in the water. The Terrific Tot in Training classes have parents start in the water with their swimmers the first week, eventually decreasing the time with parents during the course to ease the transition to Terrific Tot. Classes will split appropriately on the first day of lessons. All swimmers must wear a diaper under their swimsuit if not toilet trained.

**Parent/Tot:** Our instructors work with the parents and their little swimmer to put their face in the water and blow bubbles. Swimmers also practice floating (with assistance) on their front and back, as well as have parents assist with a jump entry into the water to aid as a lifesaving skill. Songs and games will be used to make class fun and enjoyable.

**Terrific Tot in Training:** Similar to the Parent/Tot class, young swimmers will learn basic water skills such as putting their face in the water and blowing bubbles. Swimmers will also practice back and front floats with assistance and basic swimming movements. Portions of class will be conducted without parents to ease the transition to Terrific Tot.

**Age:** 9m-3y. Leisure Lane. No Class: 6/6, 6/29-7/5.

About the A Wave & B Wave Swim Lesson Evaluations

Children new to our A Wave and B Wave programs as well those that have not been enrolled in those programs for at least 6 months must attend a FREE swim lesson evaluation prior to the first day of class of their session. These evaluations are not required for any child that is registering for Parent/Child classes, Terrific Tot, or Private Lessons.

These evaluations allow us to ensure a better placement of your child into our lesson program. By coming in prior to the first class, we are able to spend a little more time with each swimmer, permitting us to better test their skills and see them perform in the water. A more accurate assignment provides the swimmer with a better experience, while allowing us to best prepare and allocate our staff. Finally, the evaluations allow both parents and children the opportunity to familiarize themselves with our facility, including the locker rooms and pool area, to help ease any nerves or uncertainty on the first day of class.

Evaluation Dates:
April 27-29 at 6-7pm
May 2 at 12-1pm
June 16 at 6-7pm
June 20 at 12-1pm
August 5 at 8:30-9:30am and 6-7pm
August 8 at 12-1pm

Evaluations are on a walk-in basis and will be taken in the order at which people arrive. Instructors are available for evaluations the entire hour scheduled. Once the evaluation begins, it should take no longer than 5 minutes to complete. It is best to have your swimmer evaluated as close to the start of their session as possible, but evaluations are recorded and kept on file, so you can attend earlier evaluations if necessary.

If you have any questions regarding the evaluations or our lesson programs, contact Lead Aquatic Supervisor, Alex Bonarirgo at abonarirgo@obparks.org.
A Wave-Youth Group Lessons

Introduces unsupported floating with kicks, rhythmic breathing, freestyle, backstroke orientation, holding breath underwater and more.

Level III - Stroke Readiness

Starfish Pre-Swim Team

If you’ve noticed your child not only loves to swim, but likes to swim fast, this program is a great way to see if competitive swimming is right for her! She will learn the four competitive strokes, starts, and turns in a supportive and positive environment that focuses on sportsmanship, self-confidence, and mental preparedness. She will also experience the excitement of a time trials meet (beginner swim meet) on the last day of each session. Please note that B-Wave Swimming (or its equivalent) is a prerequisite for this program.

Stars Swim Team

Be your very best! Become a STAR! This team is committed to supporting swimmers at every level. Whether you’re developing the proper mechanics of competitive strokes or looking for advanced stroke refinement and improving endurance, you will experience high level training in an environment that is based on a sportsmanship, responsibility, self-discipline, and self-confidence. STARS is a competitive recreational team that is open to anyone ages 6-18 able to swim two lengths of the pool (50 yards). Swimmers should also be able to swim one length (25 yards) in each of the four competitive strokes legally and without assistance to be eligible for placement in the beginner group. See requirement below.

Our goal is to encourage a love of swimming and develop swimmers into the very best competitors they can be. This is an inclusive recreational program that welcomes all team members and encourages growth based on the individual’s personal goals and abilities. To ensure our team members receive the specific training needed to be successful and stay motivated; our experienced coaching staff will evaluate each swimmer’s individual ability and needs before determining group placement.

Our team participates in local competitions in the Northern and Western suburbs during the season. Participation in these meets are optional and up to the individual swimmer.

**Fees:** All fees must be paid in full before the first day of swim team practice. Swimmers that have not registered in advance will not be able to practice until registration fees have been paid. Team fees do not include a Family Aquatic Center membership. Swimmers are responsible for swimsuits and equipment costs. A discount of $25 may be deducted for each additional sibling from the same family that registers for STARS Swim Team*. STARS Swim Team members may only swim during assigned practice times. Teammates that want to swim on their own outside of practice must purchase a membership or pay the daily admission fee.

Please note: Parents are invited to stay during practice, but we kindly request that you watch from the observation deck. USA Swimming, Illinois Swimming, and insurance regulations allow only athletes and coaching staff to access the pool deck during practice.
