Barre/Core

Barre & Stretch: Each class will focus on different muscle groups for the high intensity movement that tones, improves flexibility, strength and posture.

Barre Strong: This class will follow traditional barre style movements but with a focus on building muscular strength.

Core Conditioning: A challenging full body workout that fuses various strength, cardio, resistance and core work, increase the body's stability, mobility and endurance.

Pilates Fusion: Work your core to improve your daily functions such as around the house, work, at the gym or playing a sport. This class will help you strengthen your core and improve range of motion.

Pilates Mat: Learn to master Pilates fundamentals that will strengthen, lengthen and define your body as you build "powerhouse" core muscles.

Cardio

Bollywood Beats: Bollywood Beats is designed to provide a balanced mix of cardio exercise coupled with a perfect blend of Bollywood rhythm and beats. Easy to follow steps.

Cardio Fusion: Get a complete workout with cardio fusion. You will get your heart pumping and muscles stronger with a variety of equipment and movements.

Dance Fit: Get your groove on dancing to a wide variety of music and styles including Latin, decades and more.

Just D.A.N.C.E.: Open yourself to the beauty of dance and fun cardio workout. Just follow simple choreography that combines fast and slow rhythms to tone and sculpt your body while burning fat.

Groove & Move: This choreographed dance class is designed to give you a cardiovascular workout with little stress on your joints. Class will end with balance work and a feel-good stretch.

Swell: Swell is a class designed for the active mature population. Designed for all levels; Whether you are new to fitness or have been active for years, Swell will have you moving for a functional lifestyle. Balance, cardio fitness and functional strength are a few components of this active and ageless class.

Combination

Cardio/Strength Interval: Timed intervals of endurance, strength and cardiovascular exercise using a variety of equipment.

Muscles & Moves: This class will combine easy to follow cardio dance moves for a total body burn and the strength exercise to build strength and develop coordination.

Sit & Stay Fit: While seated in a chair-this class will have you moving without the impact of standing on your feet. Light cardio and strength are incorporated with a comfortable stretch at the end of class.

Strength, Balance & Stretch: A combination of strength exercises with weights, tubes or bands with various stretching exercises throughout the class.

Flex & Stretch: This class is designed to optimize daily movements, increase flexibility and work on balance and stabilization to improve overall body function. Light weights or other resistance equipment can be used.

Tabata/Strength: Intervals of 25-30 seconds of maximum intensity exercise followed by 10-15 seconds of rest, repeated throughout the duration of class. Exercises include cardio, strength, resistance and core work.

Total Body Strength: This class will focus on developing muscular strength and endurance by using a variety of equipment. Strength training will be the focus, but plan to sweat through some cardio and don't forget core work.

Strength

SilverSneakers BOOM Muscle: This class incorporates athletic exercises that boost your overall fitness. Move through muscle-conditioning blocks and activity-specific drills to improve strength and functional skill.

Strength & Core: Dumbbell workout class for all ages to help improve strength and mobility for all ages. Finishing off with core work to develop a strong core and lower back.

Triple B: This triple B class will use a variety of equipment such as resistance bands, stability balls, body bars, medicine balls and balance bars. This all around, full body workout is for everyone with modifications for all abilities.

Stretch & Yoga

Chair Yoga: A gentle form of yoga-practiced sitting on a chair. Ideal for those with limited mobility, health conditions or injuries.

Mindful Movement: This class will incorporate gentle stretches, yoga poses, core work and more for a relaxing recovery workout.

Sunrise Stretch: Start your day off right with Sunrise Athletic Stretch. In this class, you will stretch from multiple positions such as standing, seated or on the floor to maximize the lengthening and relaxation of your muscles.

Yoga: This gentle and energizing practice will help you connect your body and mind.

Never miss a class!
