Group Fitness Class Descriptions

Oak Brook
Park District
A National Gold Medal Agency

Barre/Core

Barre & Stretch: Each class will focus on different muscle groups for the high intensity movement that tones, improves flexibility, strength and posture.

Barre Strong: This class will follow traditional barre style movements but with a focus on building muscular strength.

Core Conditioning: A challenging full body workout that fuses various strength, cardio, resistance and core work, increase the body's stability, mobility and endurance.

Pilates Fusion: Work your core to improve your daily functions such as around the house, work, at the gym or playing a sport. This class will help you strengthen your core and improve range of motion.

Cardio

Bollywood Beats: Bollywood Beats is designed to provide a balanced mix of cardio exercise coupled with a perfect blend of Bollywood rhythm and beats. Easy to follow steps.

Dance Fit: Get your groove on dancing to a wide variety of music and styles including Latin, decades and more.

Just D.A.N.C.E.: Open yourself to the beauty of dance and fun cardio workout. Just follow simple choreography that combines fast and slow rhythms to tone and sculpt your body while burning fat.

Groove & Move: This choreographed dance class is designed to give you a cardiovascular workout with little stress on your joints. Class will end with balance work and a feel-good stretch.

Rockout!: Get energized, sweaty, and toned while rocking out with drumsticks and exhilarating music. Let loose, release your stress and have a blast!

Combination

15-15-15: Short on time? Get the complete workout with 15 minutes of cardio, strength, core and stretch in this 45 minute workout!

Cardio/Strength Interval: Timed intervals of endurance, strength and cardiovascular exercise using a variety of equipment.

Muscles & Moves: This class will combine easy to follow cardio dance moves for a total body burn and the strength exercise to build strength and develop coordination.

Sit & Stay Fit: While seated in a chair-this class will have you moving without the impact of standing on your feet. Light cardio and strength are incorporated with a comfortable stretch at the end of class.

Strength, Balance & Stretch: A combination of strength exercises with weights, tubes or bands with various stretching exercises throughout the class.

Flex & Stretch: This class is designed to optimize daily movements, increase flexibility and work on balance and stabilization to improve overall body function. Light weights or other resistance equipment can be used.

Tabata/Strength: Intervals of 25-30 seconds of maximum intensity exercise followed by 10-15 seconds of rest, repeated throughout the duration of class. Exercises include cardio, strength, resistance and core work.

Total Body Strength: This class will focus on developing muscular strength and endurance by using a variety of equipment. Strength training will be the focus, but plan to sweat through some cardio and don't forget core work.

Weights, Core & More: Using a variety of equipment and body weight, this class will bring attention to that mid-section with specific core and trunk exercises. Participants should feel comfortable getting down and up from the floor.

Strength

Lengthen & Define: this class is designed to increase muscle definition. Whether standing or on the floor-you will use a variety of resistance tools or your own body weight to lengthen, lift and tone.

SilverSneakers BOOM Muscle: this class incorporates athletic exercises that boost your overall fitness. Move through muscle-conditioning blocks and activity-specific drills to improve strength and functional skill.

Triple B: This triple B class will use a variety of equipment such as resistance bands, stability balls, body bars, medicine balls and balance bars. This all around, full body workout is for everyone with modifications for all abilities.

Stretch & Yoga

Chair Yoga: A gentle form of yoga-practiced sitting on a chair. Ideal for those with limited mobility, health conditions or injuries.

Sunrise Stretch: Start your day off right with Sunrise Athletic Stretch. In this class, you will stretch from multiple positions such as standing, seated or on the floor to maximize the lengthening and relaxation of your muscles.

Sunrise Yoga: Join us for this outdoor experience to awaken the body and mind in preparation for the day.

Yoga: Begin your morning with this gentle and energizing practice to awaken the body and mind in preparation for the day ahead.
