### **About the Course:**

"One of the most unique 9-hole courses in the country, Central Park Disc Golf Course is meticulously designed over gently rolling terrain (Slope: 0%-8%) that is accentuated by trees and water. The composite course features 19 tee pads - nine brick paver and ten synthetic turf pads - as well as three holes with alternate target placements to accommodate all skill levels. The Carolina Buckthorn rough truly tests the finesse and precision of all disc golfers."

-Steve Matul, Course Architect

### **Disc Rental Information:**

There is no fee to use the course with personal discs. Disc rental is available at the Family Recreation Center during facility hours. There is a \$2 rental fee and \$10 deposit required for all disc rental (deposit will be returned, minus the \$2 rental fee once all undamaged discs are brought back to the front desk).
