6) Any person who violates or fails to comply with any provision of this section shall be fined not less than $30.00 and not more than $500.00 for each offense.

7) Any person on whom a parking violation notice has been served shall, within fourteen (14) days from the date of the notice, either pay the indicated fine or, in the manner indicated on the notice, request a court hearing to contest the charge, violation, or violations.

8) If the respondent requests a court hearing to contest the cited violation or violations, the office of the Village of Oak Brook Chief of Police shall arrange such a hearing and shall notify the respondent in writing of the time and place of the hearing.

9) A notice sent pursuant to this section shall state that failure to pay the indicated fine or failure to request a court hearing will constitute a debt due and owing the District, and as such may be collected in accordance with applicable law. Payment in full of any fine and/or penalty resulting from a standing or parking violation shall constitute a final disposition of that violation.
Sec. 5.11 Riding Outside Vehicles

a) No person shall ride upon the fenders, running boards, bumpers, hood, or any other exterior part of any vehicle on District property.

b) No person shall cling or attach himself, his vehicle, or any other object, to any other vehicle on District property.

b) Every operator of a vehicle shall exercise due care to avoid colliding with pedestrians upon any roadway on District property, shall give warning to any pedestrian in the roadway by sounding the horn when necessary, and shall exercise proper precaution upon observing any child, confused person, or disabled person upon a roadway.

c) Every pedestrian crossing at a roadway on District property at any point other than within a marked crosswalk, or within an unmarked crosswalk at any intersection, shall yield the right of way to vehicles upon the roadway.

d) Except as otherwise provided herein, the operator of a vehicle approaching an intersection on District property shall yield the right-of-way to a vehicle that has already entered the intersection from a different roadway. When two (2) vehicles approach an unmarked intersection from different roadways at approximately the same time, the operator of the vehicle on the left shall yield the right-of-way to the vehicle on the right.

Sec. 5.13 Snowmobiles

a) For purposes of this subsection, a “snowmobile” shall be defined as any self-propelled vehicle intended for travel primarily on snow, driven by a track or tracks in contact with the snow, and steered by a ski or skis in contact with the snow.

b) No person shall drive, ride, or otherwise operate a snowmobile on District property.

Sec. 5.14 Speed Limit

No person shall operate, propel or cause to be propelled a vehicle on any road or drive, or in any parking area, at a speed greater than the speed
limit posted along the right-of-way or, in the absence of such posted limit, at a speed in excess of ten (10) miles per hour.

Chapter 6. Permits

Sec. 6.1 Permit Process

a) For purposes of this section, the term “exercise of First Amendment rights” shall include, without limitation, parades, marches, demonstrations, rallies, religious services, speeches, solicitation of votes, petitions for signatures or contributions, picketing and leafleting.

b) Permits may be granted upon proper application and approval where the applicable section of these Regulations or any other District ordinance, policy, rule, or regulation requires a permit in order to engage in a particular use or activity. No person shall be discriminated against in the granting of permits because of race, sex, sexual orientation, religion or creed, color, ancestry or national origin.

c) Every person requesting a permit shall complete and file a written application with the Executive Director or his or her designee on forms provided by the District, and shall pay applicable application fees at the District’s administrative offices located at 1450 Forest Gate Road, Oak Brook, IL 60523. The application shall be dated when received and a receipt shall be issued to the applicant.

d) Unless otherwise provided in another section of these Regulations or other District ordinances, rules, or regulations, all applications for permits not involving the exercise of First Amendment rights must be received by the District at least twenty-one (21) calendar days prior to the use for which a permit is sought. Applications for permits involving the exercise of First Amendment rights must be received by the District at least three (3) working days prior to the event requested.

e) Except for applications for permits involving a commercial activity or for the sale or delivery of alcoholic beverages, the District shall issue the requested permit without unreasonable delay unless:

1) The proposed activity violates these Regulations, or any applicable federal, state, local, and/or other District law, rule, or regulation;

2) A prior application for a permit for the same date, time, and location has been or will be granted, and the use authorized by that permit does not reasonably allow multiple occupancy of that particular location by more than one permittee;

3) The proposed use is of such a nature that it cannot reasonably be accommodated in the particular location applied for considering,
without limitation, the likelihood of damage to District resources or facilities, damage to an environmentally sensitive or protected area’s ecosystem, impairment of a protected area’s atmosphere of peace and tranquility, unreasonable interference with District functions, buildings, facilities, operations, programs or activities, unreasonable interference with the use or purpose of the District property applied for, or similar factors;

4) The proposed use would substantially impair the operation or use of facilities or services of District concessionaires or contractors; or

5) The proposed use would so dominate the use of District property as to preclude other persons from using and enjoying it.

f) If the application is approved, the District shall issue a written permit to the applicant. If the application is denied, the District shall issue the applicant written reasons for denying the application.

g) If an application is denied on the basis of a scheduling conflict or inappropriateness of the location, duration, or time of the activity, the District will make a reasonable effort to arrange an alternative location, duration, or time that is acceptable to the applicant. If the District denies an application and the applicant is dissatisfied with the reason for such denial, the applicant may appeal the decision to the Board. If the Board rejects the appeal after full review, or if time for full review is not available, the applicant may appeal the decision to the appropriate state or federal court. All other decisions on the issuance of permits by the District are final.

h) Any permit granted by the District shall contain lawful prerequisites to the issuance of the permit and restrictions on the conduct of the permitted use, including, without limitation: payment of a reasonable fee; general liability insurance coverage; an agreement to fully indemnify and hold the District harmless from any liability or costs resulting from the use; a requirement that the persons involved in the use observe these Regulations, all federal, state, local, and District laws, ordinances, rules, and regulations; time, duration, and location restrictions; a restoration deposit; a written agreement by the applicant to fully restore any District property soiled or damaged by the use; and, any other reasonable restriction necessary for the efficient and orderly contemporaneous administration of the use and other activities authorized by the permit, as well as regularly scheduled District uses, functions, programs, and activities.

i) Any person holding a valid permit issued by the District for use of District property may use that District property to the exclusion of any
other person except for the District and its employees and authorized agents.

j) Subject to the terms of subsection (g) above, the District may make necessary changes or place necessary additional restrictions on any permit after it has been issued.

k) Violation of the terms, restrictions and conditions contained in the permit may result in the suspension or revocation of the permit.

l) Unless specifically provided for elsewhere in these Regulations, no permit shall be issued for a period in excess of seven (7) consecutive calendar days. A permit may be extended for like periods of time pursuant to a new application, unless another person has requested use of the same location and use of that location by more than one permittee is not reasonably possible.

m) For uses involving the exercise of First Amendment rights, the District may waive any application or permit fees if the applicant demonstrates that the cost of such fees is prohibitive. An applicant must request such a waiver in writing when submitting the permit application.
Chapter 7. Offenses Affecting District Functions

Sec. 7.1 Police/Security Force

a) The Village of Oak Brook Police Department, through an intergovernmental agreement, has the authority to enforce all federal, state, local and District laws, rules, regulations, and ordinances, including these Regulations on District property. Village of Oak Brook police officers shall have the authority to eject from District property, arrest, or issue citations to any person who violates these Regulations or any applicable federal, state, local, and/or other District laws, rules, regulations or ordinances on District property.

b) All municipal, county, state and other law enforcement authorities shall also be authorized to enforce these Regulations and all other laws and regulations, including District ordinances, on District property.

Sec. 7.2 Rules to be Obeyed

No person shall violate or disobey any provision of these Regulations or any other District ordinance, policy, rule or regulation regulating conduct or activities on District property even through the same may not have been posted. No person shall violate or disobey the direction or instructions contained in any notice or sign posted by the District relating to the use of District property, or the directions or instructions of any member of the Village of Oak Brook Police Department or any employee of the District seeking to enforce compliance with these Regulations, or any applicable federal, state, local and/or other District laws, rules, or regulations.

Sec. 7.3 Temporary Dismissal

a) A person who violates any of these Regulations or any other law, ordinance or rule that threatens the safety of the District’s patrons, staff and/or property, may be issued a “Notice of Temporary Dismissal,” meaning that the person must leave District property immediately and may not enter into any District property for the length of time designated on the “Notice of Temporary Dismissal” which, depending on the seriousness of the violation may be from one (1) to six (6) days. Any such person issued a “Notice of Temporary Dismissal” who returns to any District property during the dismissal period may be arrested for trespassing.

b) The officers of the Oak Brook Police Department, the District’s Executive Director, and other officers of the District are authorized to issue a “Notice of Temporary Dismissal” and to determine the length of the dismissal period.
Sec. 7.4 Exclusion

a) A person who receives three (3) or more citations during any sixty (60)-day period for violation of these Regulations, or any other law, ordinance, or rule while on any District property is subject to “exclusion,” meaning that person must leave the District property immediately and shall not enter into any District property for a time-period ranging from one (1) week to one (1) year. A person who enters any District property during the period of exclusion may be arrested for trespassing.

b) The length of the exclusion depends on the number of violations committed previously and on the severity of the violations. Any official of the District or any Oak Brook Police Officer has discretion to decide how long the exclusion should be, within the following guidelines:

Exclusion for up to sixty (60) days:
- Three (3) citations or one (1) temporary dismissal during a sixty (60)-day period before issuance of the current citations; or
- Four (4) citations during the twelve (12)-month period before issuance of the current citation.

Exclusion for up to one hundred eighty (180) days:
- Two (2) or more temporary dismissals during the sixty (60)-day period before issuance of the current citation; or
- Five (5) citations during the twelve (12)-month period before issuance of the current citation.

Exclusion for up to three hundred sixty-five (365) days:
- Three (3) or more temporary dismissals during the sixty (60)-day period before issuance of the current citation; or
- Six (6) citations during the twelve (12)-month period before issuance of the current citation.

c) Appeal of Notice of Exclusion. Exclusion for longer than seven (7) days may be appealed to the District’s Executive Director. Promptly after receipt of a written request for an appeal, the Executive Director will conduct an informal hearing where the person subject to exclusion and a District representative may present facts, circumstances, evidence and witnesses to support their respective positions and may cross-examine witnesses presented by the other side. After the conclusion of the hearing, the Executive Director shall issue a written determination on the appeal.
Sec. 7.5 General Penalty

a) In all cases where the same offense is made punishable or is created by different clauses or sections of these Regulations, the prosecuting officer may elect under which to proceed, but not more than one recovery shall be had against the same person for the same offense; provided that the revocation of a license or permit or a fine imposed in an administrative hearing shall not be considered a recovery or penalty so as to bar any other penalty being enforced.

b) Where an act or omission is prohibited or declared unlawful and no penalty or fine or imprisonment is otherwise provided, the offending person shall be fined not less than $100 or more than $1,000 for each offense. Each day that a violation continues shall be deemed a separate offense. In addition to any fine, the District may revoke the privilege to use all or some of the facilities of the District for such length of time as is determined appropriate by the District in accordance with section 7.4 hereof.

c) Whenever a finding of guilty is entered by a court or a plea of guilty is entered by a defendant, the court may, in addition to any fine imposed, enter an order to pay restitution, with restitution to be in an amount not to exceed actual out-of-pocket expenses or loss proximately caused by the conduct of the defendant. The court shall determine the amount and conditions of payments.

d) All fines, when collected, shall be paid into the treasury of the District.
